STRUTMASTERS' CHALLENGE

Chip Lofton of **Strutmasters** of Roxboro has long been an avid supporter of OCS. In that spirit, **STRUTMASTERS** challenges any and all drivers to come and race at Orange County Speedway this season.

To encourage teams who have not yet raced at Orange County Speedway in 2010, **Strutmasters** wants to help each team make the decision to do so easier. **Strutmasters** will pay for one set of race tires for any one event for any team in their first appearance at OCS in 2010.

The offer is good for the races schedules: May 8th, June 5th or June 19th.

This offer is good for the following divisions: Late Model (4 new tires) or Limited Sportsman (2 new tires, 2 scuffs) or Grand Stock (4 scuffs).

OCS thanks STRUTMASTERS and especially, Chip Lofton, for their generosity and interest in "grass roots racing" at Orange County Speedway
